Villa Bella in Vrsar

## Villa Bella Studio for four

The ground floor apartment is presently fitted to accommodate four persons but it is also perfectly suitable for running an office or shop. The bathroom shows lovely mosaics, as are everywhere throughout the building charming details to find.

## Miscellaneous

In the whole house there is floor-heating, air-conditioning + heating, TV, radio, satellite and DVD-player with dolby surround as well as a wall safe. Always hot running water available thanks to continuous-flow water heater. Brand new security doors were installed in September 2006.
